We are BLESSED to share with you **United 4 Christ Association of Ministers & Churches.**

We are a fellowship who unites around the common purpose to develop as ministers, both spiritually and professionally.

We seek to advance the causes of Christianity through networking and the exchange of ministry related resources and information.

We are believers who sincerely want to advance the cause of Christ.

We invite you to join the United 4 Christ Association of Ministers & Churches.

We are both an online and in-person ministry, and offer higher education resources, ministerial resources, credentialing, licensing, and ordinations. We meet regularly in person, through phone calls, emails, and our online network for the purposes of prayer, encouragement, information exchange, and Bible study.
