

Greetings In Christ,

We are BLESSED to share with you **United 4 Christ Association of Ministers & Churches**.

We are a fellowship of ministers who unite around the common purpose to develop as ministers, both spiritually and professionally. We seek to advance the causes of Christianity through networking and the exchange of ministry related resources and information.

Our membership is made up of many different ministers from a variety of denominational protestant, evangelical, and nondenominational backgrounds (such as Baptists, Methodists, Pentecostal, Lutheran, and Presbyterian).

We are specifically a Christian organization who, without apology, declares Jesus Christ as the only way to the Father. We only partner with other sincere Christian ministries who uphold this same standard. There are approximately 33,820 denominations of Christianity in the world today (World Christian Encyclopedia 2001), yet Jesus makes it very clear in John 17:23 that the testimony of His Lordship is visible to the world through our unity. For this reason, as a ministerial fellowship we choose not to be divided over doctrines that do not pertain to salvation.

We are both an online and in-person ministry. We meet regularly, in person, through phone calls, emails, and our online network for the purposes of prayer, encouragement, information exchange, and Bible study. We are believers who sincerely want to advance the cause of Christ.

We invite you to join our Association of Ministers & Churches. You can learn more at
